FROM PERSONAL PLANE DIVISION OF REPUBLIC AVIATION CORPORATION

DISTRIBUTOR BULLETIN NO. 40  
1947

April 21,

SUBJECT: JUNE CALL

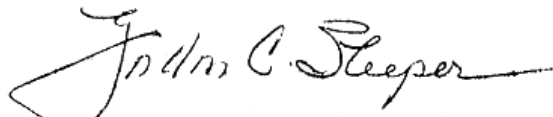

In a beautiful demonstration of good timing and of perfect cooperation over these past months between sales and production, Republic will reach in June the leveling out point in output meaning 20 a day or approximately 400 a month.

Your share of June production is now offered you in accordance with the new arrangements under which we ask firm orders only one month ahead instead of two months as formerly.

By the first of May you are requested to confirm acceptance of this tender for June delivery using the enclosed Republic Order Forms and to accompany your order by a deposit of \$300 per plane unless funds for this purpose are already on deposit with Republic.

June for most distributors will be one of the best selling months of the year. In forwarding confirmation of planes allotted, please indicate your interest in receiving any extra Seabees that may become available from less active sales areas.

If you cannot confirm all of the Seabees allocated to you Republic and the total of deliveries made in the first month of your new contract year up to and including Saturday, April 19th. Also for your records is the number of Seabees delivered to you prior to April 1st under your old contract.
