DISTRIBUTORS BULLETIN No. 17

SEABEE LUBRICANTS AND MATERIALS

Due to the numerous requests for miscellaneous materials used on the Seabee, we are setting forth, herein, detailed information concerning available commercial sources.

GREASE

Specification AN-G-15, covers the "All-Purpose" grease which is used throughout the Seabee. It is available in varying size containers from the following sources:

| <u>Source</u> | <u>Identification</u> |
|-------------------|------------------------------|
| Texas Oil Company | Texaco Regal Starfak Special |
| Texas Oil Company | AN-G-15 Grease |
| Shell Oil Company | Aeroshell #6 |
| Black Bear | AN-G-15 Grease |

RUST PREVENTATIVE

Specification AN-C-52, also known as Par-al-ketone, Rust Preventative, is available in varying size containers from the following sources:

| <u>Source</u> | <u>Identification</u> |
|--------------------------------------------------------------|-------------------------------------|
| H. M. Hollingshead Corp. Camden, N.J. and Toronto, Canada | #1 Polar Type Compound #52-C-18B |
| Socony-Vacuum Oil Company | #1 Polar Type Compound |
| Colonial Beacon Oil Company | AN-C-52A Type (4724) |
| Shell Oil Company | #1 Polar Type Compound |
| Gulf Oil Company | #52-C-18 |

HYDRAULIC FLUID

Hydraulic Oil, Specification 3580, is available in quart or gallon containers from the following sources:

| <u>Source</u> | <u>Identification</u> |
|-------------------------------------------------------------------|-------------------------------------|
| H.M. Hollingshead Corporation Camden, N.J. and Toronto, Canada | #3580C |
| Socony-Vacuum Oil Company | Mobil Aero Hydraulic Oil HF#3580 |
| Colonial Beacon Oil Company | Univis #40, Red |
| Shell Oil Company | #3580C |
| Gulf Oil Company | #3580C |

PAINTS

Seabee Green is packaged in two separate pint containers, one called Seabee Green Pigmented, the other Seabee Green Clear. The back label calls attention to the necessity of mixing equal parts of each to get the proper finish and advises how to effectively proceed to touch up bare or worn spots on the hull or floats. The list price of Seabee Green is \$1.35 per pint. Seabee Gray is packaged in quart containers and lists at \$1.90 per quart. Both the Green and the Gray are available from the following:
