'Twas the night before Christmas and all 'round the field
 Santa's helpers were carrying all they could wield
 'Twas time to pitch in and load up the sleigh
 With every possible gift for work and for play
 "All hands to your stations" Santa did say
 "For it's almost time for the biggest of days"
 The day of the year and the fruit of our work
 Is almost upon us, so there's no time for a quirk
 The manifest lists the destination of each toy
 The fastest of sleds bound for each girl and boy
 As the takeoff begins, the sleigh starts to scream
 To deliver the toys as the children do dream
 Back at the pole, a big collective sigh
 The hard work is over, save for the big guy
 He's good at it though, it's not his first jaunt
 Bringing the toys you told him you want
