SYRACUSE 8, NEW YORK

Date: 2/28/51

No. 12

SUBJECT: RETURN OF FRANKLIN ENGINES AND PARTS TO THE FACTORY

To expedite the return shipment of engines and /or parts forwarded to our factory for overhaul, rework, reconditioning, exchange or inspection, the following program is suggested.

1. Pack all parts carefully.
2. Enclose a packing slip itemizing the parts and giving disposition of the work desired. Include engine model and serial numbers from which parts were removed.
3. Ship transportation charges prepaid to Aircooled Motors, Inc., Liverpool Road, Syracuse 8, New York

Adherence to the above procedure will expedite the handling of returned parts and overhaul of engines, since our Service Engineering Shops can schedule the necessary work for completion with minimum delay when given advance notice.
